CLERK OF CHURCH, WILLIAM B. JOHNSON.

TREASURER, MRS. MARY F. EASTAMAN.

NOTE. The REV. MARY BAKER EDDY, Discoverer and Founder of Christian Science, is the author of all the Rules and By-laws embraced in this manual.

FORMATION OF THE CHURCH.

ON the twenty-third day of September, 1892, by advice of our beloved Teacher, Rev. MARY BAKER EDDY, twelve of her students met and formed a Christian Science Church, and named it, THE FIRST CHURCH OF CHRIST, SCIENTIST. At this meeting twenty other students of Mrs. Eddy's were elected members of this church, who, with the twelve who formed the church, are to be known as "First members." Church Tenets formulated by Mrs. Eddy, were adopted, also rules for the government of the church.

The First Church of Christ, Scientist, in Boston, Mass., is designed to be built on the rock, Christ, which includes the understanding and demonstration of Truth, Life, and Love, healing and saving the world from sin, and death; to represent the church universal and reflect the church triumphant.

CHURCH TENETS

OF

The First Church of Christ, Scientist.

To be signed by those uniting with The First Church of Christ, Scientist, in Boston, Mass.

1. As adherents of Truth, we take the Scriptures for our guide to eternal Life.

2. We acknowledge and adore one Supreme God. We acknowledge His Son, and the Holy Ghost, and man as the Divine image and likeness.

3. We acknowledge God's forgiveness of sin in the destruction of sin, and that sin and suffering are not eternal.

4. We acknowledge the atonement as the efficacy, and evidence of divine Love, of man's unity with God, and the great merits of the Wayshower.

5. We acknowledge the way of Salvation demonstrated by Jesus, to be the power of Truth over all error, sin, sickness, and death;

and the resurrection of human faith and understanding to seize the great possibilities and living energies of divine Life.

6. We solemnly promise to strive, watch, and pray for that Mind to be in us which was also in Christ Jesus, to love one another, and to be meek, merciful, just, and *pure*.

The annual meeting of The First Church of Christ, Scientist, in Boston, Mass., shall be held on the first Tuesday in October in each year, to listen to the reports of the Treasurer, Clerk, and the Committees, and general reports from the fields of the entire members of this church who desire to speak of their various experiences. Only the First members of the church are required to vote on admitting candidates, and attend to the transaction of any church business that may properly come before the meeting. The candidates for church membership shall be elected by a majority vote of the First members that are present.

ARTICLE II.

QUARTERLY MEETINGS.

SECTION 1. Quarterly meetings of this church shall be held on the Saturday next preceding the Communion Sunday in each quarter, beginning with the Saturday next preceding the first Sunday in January, 1893.

ARTICLE III.

SPECIAL MEETINGS.

SECTION 1. Special meetings of the First members of this Church shall be called by the clerk upon a request from our Teacher, Rev. Mary Baker Eddy, or, an order from three of the First members who are in good standing with this Church. When the clerk shall receive a request to call the First members to convene in special meeting, he shall set the earliest possible hour when a quorum can assemble, unless it is otherwise stated in the request. For this purpose he is authorized to use the mail service, and also the telegraph and telephone wires if necessary. Seven First members shall constitute a quorum for the purpose of transacting business for the Church.

ARTICLE IV.

APPLICATIONS FOR MEMBERSHIP.

SECTION 1. Applications for membership, coming from the students' pupils, must include the names and recommendations of their teachers. All applications for membership must be addressed to the clerk of the church, who, at a special meeting called for this purpose,

shall read the names of the candidates, and, if requested, may read their letters. The candidates shall be elected by a majority vote of the First members present.

ARTICLE V.

COMMUNION SERVICE.

SECTION 1. The names of the members elected at a quarterly meeting of this church shall, on the following Sunday, be read from the pulpit, and the Communion service be held.

SECT. 2. The Communion shall be observed by this church on the first Sunday in October, January, April and July — by reading selections from the BIBLE, and SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, silent prayer, the Lord's Prayer with the spiritual interpretation, reading the Church Tenets, reading a sermon appropriately selected from the BIBLE, and SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, singing of hymns, singing, silent communion, and benediction.

ARTICLE VI.

MEMBERS OF OTHER CHURCHES.

SECTION 1. This church will receive a mem-

ber of another Church of Christ, Scientist, but not the member of a church of a different denomination, until that membership is dissolved. A member of the Mother church is not entitled to hold office, teach, or preach in other churches of similar denomination except by invitation.

ARTICLE VII.

QUALIFICATIONS OF MEMBERSHIP.

SECTION 1. To become a member of *The First Church of Christ, Scientist*, in Boston, Mass., the applicant must be a believer in the doctrines of Christian Science according to the Platform and teaching contained in the book *SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES*, by Rev. Mary Baker G. Eddy. The Bible, and the above-named book, with other works by the same author, must be his only text-books for self instruction in Christian Science, and for teaching and practising metaphysical healing. If a member shall depart from the Tenets, and be found having the name without the life of a Christian Scientist, his name shall be dropped from the list of membership by a two thirds vote of the First members.

SECT. 2. Applicants for membership are required to subscribe to the above Tenets and Rules as follows:—

Do you subscribe to the foregoing Tenets and Rules?

ARTICLE VIII.

CHURCH DISCIPLINE.

SECTION 1. Neither animosity, nor mere personal attachment, should impel the motives or acts of the members of the Mother Church. In Science, Divine Love alone governs man; and a Christian Scientist reflects the sweet amenities of Love, in rebuking sin, true brotherliness, charitableness, and forgiveness. The members of this Church should daily watch and pray to be delivered from all evil, from prophesying, judging, condemning, counseling, influencing or being influenced, erroneously. The above By-law shall be read in Church, by

the First reader, on the first Sunday of each month, except it be on Communion day. On each Communion Sunday, the Church Tenets shall be read from the pulpit.

SECT. 2. The First members are not allowed to report what is said or done in a Church meeting, if this report can injure a member, or the cause of Christian Science, — on penalty of liability to have their names dropped from membership.

SECT. 3. If a member of this Church shall work against the accomplishment of what the Discoverer and Founder of Christian Science understands is advantageous to the individual, to this church, and to the cause of Christian Science, or shall influence or counsel others thus to act, upon Mrs. Eddy's complaint, in consonance with the scriptural demand in Matt. 18: 15, 16, 17, it shall be the duty of this church to immediately call a meeting, and drop forever the name of this member from its records; and this offender shall no longer be fraternized by the brethren.

This rule cannot be changed, amended, or annulled, except by a unanimous vote of the Church.

SECT. 4. It shall be the duty of every member of this church to pray each day: "Thy Kingdom come," — Thy Cause of Truth and Love dwell in me, rule me, and rule out of me all sin. And Thy Word, Christian Science, dwell in the affections of all mankind, and govern them.

SECT. 5. No person shall be made a member of this church who claims a spiritually adopted child; or a spiritually adopted husband, or wife; except they have been legally adopted, and legally married according to the laws of our land.

Also, any member of this church who is found living with a child improperly, or claiming a child not legally adopted; or claiming, or living with a husband, or a wife, to whom they have not been legally married; shall immediately and forever be excommunicated, and on the grounds of moral unfitness to be a teacher of Christian Science, or a member of this Church.

ARTICLE IX.

TEACHING CHRISTIAN SCIENCE.

SECTION 1. A member of the Mother Church

who is professionally teaching or healing, but is disobeying the Church rule, or the C. S. A. by-law relating thereto, as published in the *Christian Science Journal* of April, 1895, shall be dropped from Church membership.

SECT. 2. The following is the C. S. A. by-law referred to, as copied from the April number of the *Christian Science Journal* 1895, pages 2 and 3.

“Christian Scientists who are letterly qualified and specially spiritually fitted for teachers, can teach annually three classes. They shall teach from the Christian Science text-book. Each class shall consist of not over thirty-three students, carefully selected, and such only as have good past records, and promising proclivities toward Christian Science. The teacher shall hold himself morally obligated to promote the progress of his students, not only during the class term, but after it, and watch well that they prove sound in sentiment and practical Christian Science.

SECT. 3. Teaching Christian Science shall not be a question of money, but of morals and religion, healing and uplifting the race. Teachers shall form Associations, and for the

first years convene as often as once in three months. Teachers shall not silently address the students' thought to handle it, nor allow their students thus to do, except the individual needing it asks for mental treatment. Teachers shall persistently, and patiently strive to educate their students in conformity to the unerring wisdom and law of God, and shall enjoin them to habitually study His revealed Word, the SCRIPTURES, and SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES.

SECT. 4. They shall teach their students how to defend themselves against mental malpractise, but never to return evil for evil, or attack the malpractitioner, but to know the Truth that makes free and be a law, not unto others, but to themselves."

SECT. 5. If a member of this Church is found trying to practise, or teach Christian Science contrary to the statement thereof in its text-book SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, it shall be the duty of this Church to admonish that member according to the Church rule; then if said member persists in misteaching and malpractise, his or her name shall be dropped from the Church record.

BY-LAWS.

ARTICLE I.

CHURCH OFFICERS.

SECTION 1. The officers of the Church shall be elected by the Board of Directors at their annual meeting.

SECT. 2. The officers shall consist of a President, a Clerk, and a Treasurer.

SECT. 3. The President of this Church shall hold his office one year only, and is eligible to this office once in three years.

ARTICLE II.

THE CHRISTIAN SCIENCE PASTOR.

SECTION 1. I, Mary Baker Eddy, ordain the BIBLE, and SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, Pastor over the Mother Church,—The First Church of Christ, Scientist, in Boston, Mass.,—so long as the Church is satisfied with this Pastor. This is my first ordination.

ARTICLE III.

READERS.

SECTION 1. The Christian Science Board of Directors shall appoint a male and a female reader, one to read the BIBLE, and one to read SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES. They shall not read from copies or manuscripts, but from the Books. The readers from these books shall commence by announcing their full titles, and the name of the author of the text-book. The readers must devote a suitable portion of their time to preparation for reading the Sunday lesson, a lesson on which the prosperity of Christian Science largely depends. The readers are expected to keep themselves unspotted from the world, uncontaminated with evil, that the mental atmosphere they exhale shall promote health and holiness, even that spiritual *animus* so universally needed.

SECT. 2. This Board shall inform the Pastor *Emeritus* of the names of their candidates for readers before they are elected, and if she objects to the election, said candidates shall not be chosen.

SECT. 3. The Board shall impartially select intelligible readers and exemplary Christians to read in Church. They must be members of this denomination, and one of them shall conduct the remaining portions of the Sunday services, and the Friday evening meetings.

SECT. 4. If the reader is found at any time inadequate or unworthy, a meeting shall be called and he or she shall be removed from office by a majority vote of the Christian Science Board of Directors, and the vacancy supplied.

SECT. 5. It shall be the duty of the reader in the Church, who conducts the principal part of the Sunday services, and the Friday evening meetings, to personally examine the local candidates for admission to the church.

SECT. 6. The First members of this church shall fix the salary of the readers.

ARTICLE IV.

RELATION WITH OTHER CHURCHES.

SECTION 1. The First Church of Christ, Scientist, Boston, Mass., shall not enter into any transaction, mission, or official relation with

another church, and shall not change its present Tenets. If its First members become less than forty in number, they shall regain this number, and they shall be persons who have proven themselves, in successive years, strict adherents to the doctrines and practise inculcated in SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES. These First members shall have the same power to act for this Church as the encumbents.

SECT. 2. This By-Law shall neither be amended nor repealed except it be by unanimous vote of this Church.

ARTICLE V.

APPLICANTS FOR MEMBERSHIP.

SECTION 1. Applicants for membership who have not studied Christian Science with Rev. Mary Baker Eddy, can unite with this church only by invitation and recommendation of a student of Mrs. Eddy's, loyal to the teachings of our Text-book, SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, — unless it be an exception that the circumstances warrant.

ARTICLE VI.

PROBATIONARY PROVISIONS.

SECTION 1. Individuals who have heretofore been members of this Church, or were members of the Church of Christ, Scientist, organized in 1879 by Reverend Mary Baker Eddy, — but have either voluntarily withdrawn, or were expelled therefrom, — may be received into this Church on one year's probation, providing, they are willing and anxious to live according to its requirements, and make application for membership according to its by-laws and rules.

SECT. 2. If, at the expiration of said one year, they are found worthy, they shall be received into full membership, but if not worthy their applications shall be void.

SECT. 3. Any person desiring to unite with this church who is unable, owing to unusual and justifiable circumstances, to furnish the recommendation of a loyal student of our Teacher, the Rev. Mary Baker Eddy, may upon application, be received on probation for one year. At the expiration of that term if this person has given satisfactory evidence to the First

members that he is worthy of membership, he shall be received into full fellowship.

SECT. 4. If an individual on probation is found to be unworthy of this church's membership, and another member in good standing shall, from Christian motives, make this evident, immediately a meeting of this church shall be called and the name of that probationary member dropped from its list of membership.

ARTICLE VII.

Every member of The First Church of Christ, Scientist, shall pay a per capita tax annually of not less than one dollar.

ARTICLE VIII.

When the Pastor Emeritus, sends a letter or message to the clerk of the Mother Church, in Boston, to be read at a meeting of the First members, it shall be the imperative duty of this official to read said communication at the place and time specified. If the clerk fails to perform this important

part of his office, he shall be complained of by a member of this Church,—a special meeting shall be called for this purpose, and he shall be removed from office.

SECT. 2. If the clerk of this Church shall receive a communication from the Pastor Emeritus, that he does not fully understand, before presenting it to the Church he shall inform said Pastor of this fact, and obtain a clear understanding of the matter, and act in accordance therewith. Failing to adhere to this by-law, the clerk must resign his office.

sixty-six and 78/100 feet ; thence at an obtuse angle on said line at right angles to said forty foot street sixty-seven and 35/100 feet to said forty foot street ; thence Southeasterly on said forty foot street one hundred and sixteen and 55/100 feet to the point of beginning ; containing seven thousand eight hundred and twenty-eight square feet more or less, and subject to the agreements and restrictions mentioned in a deed recorded in Suffolk Registry of Deeds Lib. 1719, Fol. 83 so far as the same are now legally operative.

This deed of conveyance is made upon the following express trusts and conditions which the said grantees by accepting this deed agree and covenant for themselves and their successors in office to fully perform and fulfil.

1. Said grantees shall be known as the "Christian Science Board of Directors" and shall constitute a perpetual body or corporation under and in accordance with section one, Chapter 39 of the Public Statutes of Massachusetts.* Whenever a vacancy occurs in said Board the remaining members shall within thirty days fill the same by election : but no one shall be eligible to that office who is not in the opinion of the remaining members of the Board a firm and consistent believer in the doctrines of Christian Science as taught in a book entitled "Science and Health" by Mary Baker G. Eddy beginning with the seventy-first edition thereof.

* The deacons, church wardens, or other similar officers of churches or other religious societies, and the trustees of the Methodist Episcopal churches appointed according to the discipline and usages thereof, shall, if citizens of this commonwealth, be deemed bodies corporate for the purpose of taking and holding in succession all the grants and donations, whether of real or personal estate, made either to them and their successors, or to their respective churches, or to the poor of the churches.

2. Said Board shall within five years from the date hereof build or cause to be built upon said lot of land a suitable and convenient church edifice, the cost of which shall not be less than fifty thousand dollars.

3. 5. Said board of directors shall not allow or permit in said church building any preaching or other religious services which shall not be consonant and in strict harmony with the doctrines and practise of Christian Science as taught and explained by Mary Baker G. said doctrines of Christian Science only shall be preached and practised. If said church building is removed for either of the purposes above set forth, any and all tablets and inscriptions which are or shall be upon said church building at the time of removal shall be removed therefrom and placed upon the walls of the new edifice. If said building is burned, the directors shall forthwith proceed to rebuild the Church.

9. Said directors shall maintain regular preaching, reading or speaking in said church on each Sabbath, and an omission to have and maintain such preaching, reading or speaking for one year in succession shall be deemed a breach of this condition.

10. Whenever said directors shall determine that it is inexpedient to maintain preaching, reading or speaking in said church in accordance with the terms of this deed, they are authorized and required to reconvey forthwith said lot of land with the building thereon to Mary Baker G. Eddy, her heirs and assigns forever by a proper deed of conveyance.

11. The omission or neglect on the part of said directors to strictly comply with any of the conditions herein contained shall constitute a breach thereof, and the title hereby conveyed shall revert to the grantor Mary Baker G. Eddy, her heirs and assigns forever, upon her entry upon said land and taking possession thereof for such breach.

COMMITTEE ON FINANCE.

Whereas, on March 20, 1895, the Christian Science Board of Directors, in behalf of The First Church of Christ, Scientist, Boston, presented to Reverend Mary Baker Eddy their church edifice as a Testimonial of this church's love and gratitude, and she, with grateful acknowledgments thereof, declined to receive this munificent gift, she now understands the financial situation

between the Christian Science Board of Directors and said Church to be as follows :—

The Christian Science Board of Directors own the Church edifice, with the land whereon it stands, legally; and the church members own the aforesaid premises and building, beneficially. After the church was built the balance of the Building Funds which remained in the hands of the Directors, rightfully belonged to the Church, and not solely to the Directors. Therefore, the balance of the church Building Funds which can be spared after the debts are paid, should remain on safe deposit, to be hereafter used for the benefit of this church, as the right occasion may call for it. The following By-law indicates the proper management of the Church Funds.

BY-LAW.

It shall be the duty of the Christian Science Board of Directors to report annually the amount of Church Funds on hand, the amount of its indebtedness, and of its expenditures for the last year. Any gift made of the Church Funds shall require a majority vote of the Christian Science Board of Directors, and a majority vote of the First members of this Church. The books of the Christian Science Board of Directors and of the Church Treasurer shall be audited annually at the written request of the Church, through a committee on finance.

God requires wisdom, economy and brotherly love to characterize all the proceedings of the members of the Mother Church, The First Church of Christ, Scientist, and I am glad to state, that the action of its honorable Board of Directors has given good evidence of their obedience to this requirement. In case of any pos-

sible future deviation therefrom, it shall be the duty of the First members of this Church, to call a special meeting for the purpose of duly considering the questions relating thereto, and to require the committee on finance to visit the Board of Directors, and, in a Christian spirit and manner, demand each one to comply with the vote of the First members on this subject; and, on penalty of any member refusing thus to do, this member shall be dismissed from office and the vacancy supplied by the Board.

Said committee shall inform themselves annually as to the church's financial matters, which are entrusted to the Board of Directors and to the Church Treasurer; and, if it be found that the church funds have not been properly managed, it shall be the duty of the First members of the Church, to require the Board of Directors and the Treasurer to be individually responsible for the performance of their several offices satisfactorily, and for the proper distribution of the funds of which they are the custodians.

This By-Law is designed, not as much for this hour, as for future years, and for the disobedient; even as the Ten Commandments stand for all time, and require all men to act righteously.

LIST OF MEMBERS.
